

INTERNATIONAL COMMITTEE FOR THE RECONSTRUCTION OF THE TUILERIES

*A step forward beyond generations, political trends and frontiers for a melting pot
where modern France has been searching for an identity and has found it.*

Established on 11 February 2004 at the time of the celebration at the « Institut de France »
of the 155th anniversary of the Law of 16 October 1849 that led to the irreversible union
of the Tuileries with the Louvre.
